### D.R. HORTON HOMES STORY

IT'S ONE OF THE GREATEST OPPORTUNITIES WE HAVE AS AMERICANS.

It's a dream that we share, that special place where our memories are made - that place we call home. Since 1978 we've been delivering that dream. We believe in a vision of home ownership for everyone, a home for every stage in life.

We've come a long way, and while more people choose us over any other builder in the country, we never forget the most important thing of all - the people and families that choose our family of brands as their place to call home. So continue to live out those dreams, America, and know we'll be here for you every step of the way.

D.R. Horton. We are America's Builder.
