

3 Select your exterior style.

The outside of your home should make you just as happy as the inside, so we offer a variety of exterior styles to choose from. Whether your preference is traditional or modern, architectural designs in your community may include Colonial, Craftsman, Prairie, and more.

4 Personalize your home.

Come inside the KB Home Design Studio and discover all the things we offer to personalize your new home. Partner with your dedicated design consultant to choose flooring, countertops, cabinets, lighting, appliances and more. With a variety of options, many at no additional cost, from trusted brands like Whirlpool®, Kohler® and Sherwin-Williams®, you can create your home at a price that fits your style and budget.

An energy-efficient home for you.

Our homes are designed to be ENERGY STAR® certified, delivering energy savings that help lower the cost of ownership. And as a leader in energy efficiency, we use the Energy Savings Comparison® to demonstrate the lower monthly cost of homeownership.

We'll find the home for you.

KB Home Finding Services simplifies the search.

A KB home is uniquely built just for you.

1 Select a homesite.

Choose where in the community you want to live.

2 Choose a floor plan.

Our innovative design starts with thoroughly researching how people live day to day in order to create new homes they love. Select the open floor plan that fits your lifestyle, with indoor/outdoor living areas that seamlessly flow together, plus extra storage and generous counter space.
