Why buy a new KB home?

Nothing is more unique than where you live, and a used home simply wasn't designed with your life in mind. With KB, you have a partner every step of the way, to build a new home just for you.

You can personalize from floor plans to exterior elevations, from design options to where you live in the community. Every new home we build is designed to be ENERGY STAR® certified to deliver energy savings that help lower the cost of ownership, plus it's better for the planet. You'll also enjoy a healthier indoor air environment, with high performance ventilation systems, and a 10-year limited warranty.
